Girish,

I have two questions for you.

1. Can Cummins tell us if there would be any long-term damage to the CBI/ Ex. 4

**CBI/ Ex. 4**

2. Have you provided us with SFTP test data for the 6.7 liter? If you have I can't find it and would appreciate it if you could resend me any data.

Let me know if you have any questions.

Thanks,  
Linc
